

ROCAMORA TEATRE

IDENTITATS

TECHNICAL SPECIFICATIONS OUTDOOR SIMPLIFIED VERSION

DURATION: performance: 60 min / stage set up: 1 hour / dismantling: 30 min.

AUDIENCE: for the young (+10) and adults / maximum recommended capacity 300 people.

SCENIC SPACE: in parterre, stage approximately 1m-1,10m high.

minimal measures: acting area 4 x 4m (with smooth wooden floor, not linoleum). Height stage: 3m.

SOUND CONTROL: We control audio from our MacBook (located on one side stage). To do this, we bring with us a cable with 3.5mm stereo jack to connect at the MacBook and that ends with two CANNON (L-R) to connect to your PA system.
